H.M.
3.4 If sub-clause 3.3 of this agreement has been complied with, the provisions of clauses 17.2.1, 17.2.2, and 17.2.3 of the Dispute Resolution Procedures shall apply.

3.5 In appointing an arbitrator to preside over any inquiry in terms of this collective agreement, the General Secretary shall, with due regard to the age of the child who is the victim, and the nature and complexity of the charges against the educator, appoint an arbitrator who:

3.5.1 is competent to deal with the specific case;

3.5.5 has sufficient experience in hearings in which intermediaries are used (if the matter is a case in which an intermediary may possibly be appointed);
3.5.6 has sufficient experience in hearings involving charges of sexual misconduct against children.

3.6 An arbitrator should not accept an appointment as arbitrator in a case in terms of this collective agreement unless he or she has all the attributes listed in clause 3.5 hereof, having regard to the age of the child who is the victim and the nature of the charges against the educator.

4. PROCEDURES APPLICABLE TO INQUIRIES/ARBITRATIONS

4.1 Sections 138, 142 and 143 to 146 of the Labour Relations Act, with the necessary changes required by the context, apply to an inquiry in terms of this collective agreement. In the case of any conflict between the provisions of any section in the Labour Relations Act, and the Dispute Resolution Procedures, the relevant provision in the Dispute Resolution Procedures shall take preference.

4.2. The following provisions of the Dispute Resolution Procedures, with the necessary changes required by the context, apply to an inquiry in terms of this collective agreement:

4.2.1 Clause 12, read with clause 18.3;
4.2.2 Clauses 17.3, 17.5, 17.6.2, 17.7;
4.2.3 Clause 17.4, with the qualification that the educator may also be represented in the arbitration proceedings by a co-employee;
4.2.4 Clauses 18.1, 18.2 and 18.5;
4.2.5 Parts 11, 12 and 13

4.3 The General Secretary shall in every arbitration in terms of this collective agreement where a witness or witnesses under the biological or mental
age of eighteen years will testify, appoint a competent person as an intermediary in order to enable such witness to give his or her evidence through that intermediary and the arbitrator shall ensure that such witness (irrespective of whether the witness testifies on behalf of the employer party or the educator party), give his or her evidence through that intermediary. If however a witness under the biological age of eighteen years states that he or she prefers to give evidence without the assistance of an intermediary and the arbitrator is satisfied that the witness understands the implications of that decision, an arbitrator may direct that the witness need not give evidence through an intermediary.

4.4 In respect of any witness under the biological or mental age of eighteen years, the arbitrator may (irrespective or whether or not that witness gives his or evidence through an intermediary), direct that the witness gives his or her evidence at any place which -

4.4.1 is informally arranged to put that witness at ease;

4.4.2 is arranged in a manner in which any person whose presence may upset that witness, is outside the sight or hearing of that witness (This may for example include, but is not limited to closed circuit television, similar electronic media, screens, one way mirrors);

4.5. Subject to the election of a witness not to make use of an intermediary as provided for in clause 4.3, any examination, cross-examination or re-examination of a witness in respect of whom an intermediary has been appointed, except examination by the arbitrator, must not take place in any manner other than through that intermediary. Such intermediary may, unless the arbitrator directs otherwise, convey the general purport of any question to the relevant witness in a way that is appropriate to the age or mental conditions of the witness.

4.6 The ELRC shall retain a panel of persons who, in the opinion of the General Secretary, are competent to act as intermediaries, having regard to their experience and qualifications. Persons on this panel may be, but need not be, intermediaries used by the Department of Justice. An arbitrator who appoints an intermediary, must appoint a person from this panel as intermediary.

4.7 An arbitrator may permit a witness under the biological or mental age of eighteen years to use anatomical dolls, puppets, drawings, mannequins, or any other demonstrative device that the arbitrator deems appropriate for the purpose of assisting the witness in testifying.

4.8 Where it appears to an arbitrator that a witness under the biological or mental age of eighteen years does not understand the nature of the oath, the arbitrator should not ask the witness to take the oath, but may nevertheless receive the evidence of such witness if the arbitrator is satisfied that:
4.8.1 the witness is capable of giving an intelligible account of events; and
4.8.2 the witness understands the difference between the truth and lies, as well as the importance of telling the truth.

4.9 In considering the evidence presented by the witnesses in these circumstances the provisions governing the law of evidence must be applied.

4.10 In addition to all the powers of arbitrators provided for in this collective agreement, an arbitrator shall have all the powers that arbitrators generally have to determine the procedures to be adopted during arbitration proceedings.

5.1 An arbitrator arbitrating a dispute in terms of this collective agreement must, in the light of the evidence presented, and with reference to the following, direct what action, if any shall be taken against the educator:

There shall be no appeal against such award, provided that any party to the dispute may exercise the right to have the award reviewed by the Labour Court as provided for in the Labour Relations Act.

5.3 The arbitrator shall not in his or her award disclose the name and surname of:

5.3.1 any witness who was under the biological or mental age of eighteen years at the time of giving evidence; or
